A message from the president: Another show has come and gone. Wow! I must be having fun... the show season is half way done! Two shows left of Rockton's season. Plus we have the Youth tournament Aug 2nd and 3rd and then the fair show Sunday oct 12th. Performance starting at 9 am sharp. Please come out cheer your youth on at the tournament, the more the merrier. We also need some volunteers to run ribbons, gate, ring crew at last two shows. All in all I think the show ran a little smoother we had several, well lots of large classes. Which is great. The number of youths that turned out is encouraging to us all. The kids and Rockton crew wish to thank the parents and coaches for without their dedication there would be no shows of this size! Thanks ever sop much. Remember do your best and always have fun!!!
